# MONUMENT TO THE UNBORN

*For Those Lost Through Miscarriage, Still Birth or Abortion*

While our faith teaches us that life begins with conception, families rarely have the opportunity to memorialize those who died prior to birth. In recognition of these children and the grief suffered by their families, we invite you to consider adding the names of your unborn loved ones, lost too soon, to one of our Monuments to the Unborn. Memorializing your loved ones, gives these children a little sacred place where you are able to express your love while honoring and recognizing their existence in this world. Most of our cemeteries offer a Monument to the Unborn. It is our hope and desire to help you heal and to bring peace and comfort to all who have experienced loss.
