

## MEMORIALIZATION OPTIONS FOR PRIVATE FAMILY ESTATES

Families have the option to make a donation towards one of our benches.

By donating towards a religious statue you are helping to beautify the cemetery grounds.

Donating a memorial tree provides a living tribute that withstands time and gives back to the earth.

It is the deepest desire of Catholic Cemeteries in the Diocese of Camden to sacredly bury the dead and bring comfort to the grieving. Our cemeteries provide holy grounds where we bring respectful dignity to the mortal remains entrusted to our care. We believe that we owe recognition to those previous generations who have lived in faith. In death, as in life, we belong to the Lord. Our faith in Jesus' Resurrection enables us to offer hope and warmth to the hearts and souls burdened with grief and anxiety. We feel truly blessed and sacredly privileged to practice this Corporal Work of Mercy through the tradition of the Catholic Church.

*Lord God,  
Whose days are without end  
and whose mercies beyond  
counting,  
Keep us mindful  
that life is short and the  
hour of death unknown.  
Let your spirit guide our  
days on earth  
in the ways of holiness  
and justice,  
that we may serve you  
in union with the whole  
Church, sure in faith,  
strong in hope, perfected  
in love.  
Amen*

Private family estates are an excellent choice for families wishing to maintain an everlasting link amidst many generations. Family members are laid to rest together in a prominently and beautifully landscaped area designated specifically for them. Each estate is bordered by landscaping that outlines three quarters of the plot area.

Family estates are available in two sizes. Our two-grave estate includes an area of 10' X 12' and comes with two full burial rights. For those desiring a larger plot with more burial rights, we offer a four-grave estate that includes a burial area of 14' X 12' and comes with four full burial rights. Available for both family estate sizes is the ability to add an additional grave double-depth option which gives the family the ability to place an additional full body burial in a double-depth grave. If selected, this option is added prior to any burials and at the prevailing price.

Family estates allow between two and eight full body resting places with the option to purchase reuse burial rights for cremated remains. Potentially a family estate could allow up to twelve burial rights.

Each estate honors the lives of loved ones by memorializing the family name on a lovely monument. The monument size allowed depends upon the size of the estate.

Included with the cost of a private family estate is the perpetual care of the border landscaping.

Additionally, families can choose to add the Garden Permit Program at the prevailing price. The Garden Permit Program allows for the annual planting of flowers in front of monument markers giving family members the ability to care for the final resting place of their loved one(s). No other landscaping or planting is permitted.

Likewise, memorialization options such as benches help to beautify your private estate. Outside benches are not permitted. Also, you may choose to donate towards the purchase of a sacred statue or tree which help to enhance the beauty of the cemetery. Families also have the option to purchase our vases or a dealer vase to be installed at the prevailing price.

Memorialization helps to keep the memory of your loved one alive while showing them respect. It may help to ease the sadness felt when losing a loved one while bringing comfort. It is our hope and desire to bring solace and peace to all by offering these memorialization options. Prices vary depending upon choices made.

Family estates are a wonderful alternative to simple ground burials because they provide a more esteemed burial choice for both full body and cremated remains burials. The family enjoys a private section where they as well as future generations are memorialized while resting together in peace awaiting the Resurrection.
