

Floral Arrangements Just for Monument Headstones!

At South Jersey Catholic Cemeteries, we know that memorializing your departed loved ones is uniquely personal. We now offer a floral program made just for adorning the tops of monument headstones. These beautifully designed arrangements, called Saddle Floral Arrangements, are available in four seasonal options, all made with silk flowers and fitted with a bracket that sits snugly on monument headstones. You can choose to purchase one season at a time, or sign up for our annual program for more savings!

You Have Options

The Saddle Floral Program is just one of three floral memorialization programs.

Our Floral Program, which is available for all marker types, features seasonal floral arrangements and lifetime vases which can be purchased through the cemetery office.

Our Garden Permit Program gives families the ability to personalize the front of their monument with a bordered garden in which they can place mementos and plant their own flowers.
