It is the deepest desire of Catholic Cemeteries in the Diocese of Camden to sacredly bury the dead and bring comfort to the grieving. Our cemeteries provide holy grounds where we bring respectful dignity to the mortal remains entrusted to our care. We believe that we owe recognition to those previous generations who have lived in faith. Our faith in Jesus' Resurrection enables us to offer hope and warmth to the hearts and souls burdened with grief and anxiety. In death, as in life, we belong to the Lord. We feel truly blessed and sacredly privileged to practice this Corporal Work of Mercy through the tradition of the Catholic Church.

*Lord God,
Whose days are without end
and whose mercies beyond
counting,
Keep us mindful
that life is short and the
hour of death unknown.
Let your spirit guide our
days on earth
in the ways of holiness
and justice,
that we may serve you
in union with the whole
Church, sure in faith,
strong in hope, perfected
in love.
Amen*

Not only do memories help to keep your loved one close to your heart, it's these memories that can help to bring peace, comfort and strength. Select a beautiful photograph of your loved one that depicts a special memory. Allow us to use that photograph to create a porcelain portrait for your crypt front.

In addition, by selecting a favorite picture that captures the essence of your loved one, you are sharing the memory. When family and friends visit, they will see a treasured photo that reflects the love shared by all and your loved one will be remembered for generations to come.

Our porcelain portraits are the finest quality reproductions of your personal photographs or studio portraits. The use of state-of-the-art image transfer technology along with the maximum color retention characteristics of porcelain ensure beautiful results.

You choose from color or black and white. The addition of a quality bronze frame adds elegance and durability. The porcelain portrait size for crypts is 3 1/8" X 4".

Portraits for single crypt fronts display a photo of only the deceased. For two-person crypt

fronts, like tandem or companion, a photo showing two people is allowed. The portrait is positioned in a vertical layout and is oval in shape. The photo must be clear and in good condition similar to a studio portrait. Photos cannot be larger than 5" X 7".

We offer three choices. Additionally, you have the option to keep the background of the photo, or you can choose to replace it with a color to best suit the individual in the photo. Contact your local cemetery office or call 855-697-7375 to learn more.
