Forever Loved ...
Forever Remembered

Mourning the loss of a loved one is difficult, sad and for many unbearable. We recognize that many hearts never fully heal, however keeping a loved one's memory alive helps to ease the pain and sadness while bringing comfort. Memorialization is one way to keep the memory of your loved one alive, and it allows you to honor them.

Additionally, it is our desire to enhance the beauty of sacred grounds through memorialization. It is our hope and intention to bring solace and peace to all by offering several memorialization options throughout our cemetery grounds.

We feel every life should be memorialized and such a memorial can be an integral part of the grieving and support process.

It is the deepest desire of Catholic Cemeteries in the Diocese of Camden to sacredly bury the dead and bring comfort to the grieving. Our cemeteries provide holy grounds where we bring respectful dignity to the mortal remains entrusted to our care. We believe that we owe recognition to those previous generations who have lived in faith. Our faith in Jesus' Resurrection enables us to offer hope and warmth to the hearts and souls burdened with grief and anxiety. In death, as in life, we belong to the Lord. We feel truly blessed and sacredly privileged to practice this Corporal Work of Mercy through the tradition of the Catholic Church.

Lord God,
Whose days are without end
and whose mercies beyond
counting,
Keep us mindful
that life is short and the
hour of death unknown.
Let your spirit guide our
days on earth
in the ways of holiness
and justice,
that we may serve you
in union with the whole
Church, sure in faith,
strong in hope, perfected
in love.
Amen

Memorialization Options
Enhancing the Beauty of Our Sacred Grounds

Trees

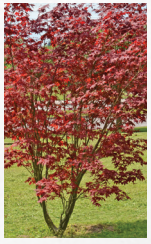

Donating a memorial tree provides a living tribute to your loved one that withstands time while giving back to the earth. The gift of a memorial tree is symbolic and will grow stronger and blossom with life, year after year. You can choose from four types of beautiful accent trees.

- *Cleveland Pear (aka Chanticleer Pear)*
- *Krauter Plum*
- *Crape Myrtle*
- *Crimson King Maple*

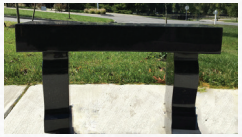

Benches

When you donate a memorial bench, you are providing a place for all visitors to sit and rest while spending some time remembering and praying for the dearly departed. We offer several types of benches. Bench selection varies by cemetery location.

- ***Granite benches*** – these are placed in and near our mausoleums
- ***Park benches*** – these are placed throughout the ground burial section of the cemetery

Statues

By donating a religious statue you are helping to beautify the cemetery grounds and chapel mausoleums. What better way than to show love and remembrance to your loved one. Statue options vary by cemetery. Speak with our cemetery staff to learn what choices are available.

There are specific locations identified throughout the cemetery as stated in our beautification plan. Speak with a cemetery staff member to see what locations are available. Inscribed markers are included with each of the memorialization items listed. These markers will be placed beside the planting or statue, or on the bench.

Precious is his memory, like honey to the taste, like music at a banquet. ***Sirach (49:1)***
